

In the General Elections 2020 we want candidates to value **Community**, **Decency** and **Participation**

#COMMUNITY

Promoting a sense of belonging and inclusion

Welcoming and nurturing people

Helping communities to flourish now and in the future

#DECENCY

Valuing human dignity above other interests

Promoting a decent quality of life for all

Ensuring a healthy and enjoyable environment

#PARTICIPATION

Listening to and encouraging expression

Bringing people in from the margins

Supporting people to engage with decision makers

COMMUNITY PLATFORM
CHALLENGING POVERTY & INEQUALITY

Suggested questions for candidates knocking at your door ...

What will you do to ensure our community is inclusive of everyone?

How will you work to ensure everyone can afford a decent quality of life and have decent public services?

How will you ensure everyone has a decent home and there are decent jobs in our area?

How will you ensure we have the taxes necessary to invest in quality public services?

What will you do to address climate change while also ensuring the most vulnerable are protected?

What will you do to improve how people participate in decision making, especially those experiencing inequality and poverty?

Will you support increased funding for community organisations which represent marginalised communities and promote social inclusion?
